If I were called upon to testify, I could and would testify competently as to the facts set forth herein.

3. In accordance with the (a) *Order Authorizing the Debtors and Debtors in Possession to Retain and Employ Epiq Bankruptcy Solutions, LLC as Claims, Noticing, and Balloting Agent Pursuant to 28 U.S.C. § 156(C), Rule 2002(F) of the Federal Rules of Bankruptcy Procedure and Local Rule 2002-1(F) as of the Petition Date*, dated December 10, 2008 [Docket No. 44], and (b) *Order (I) Approving Supplemental Disclosure Document; (II) Establishing Scope, Forms, Procedures, and Deadlines for Resolicitation and Tabulation of Votes to Accept or Reject DCL Plan From Certain Classes; (III) Authorizing Tabulation of Prior Votes and Elections on DCL Plan Made by Holders of Claims in Non-Resolicited Classes; (IV) Scheduling the Confirmation Hearing and Establishing Notice and Objection Procedures in Respect Thereof; and (V) Granting Related Relief*, dated April 17, 2012 [Docket No. 11419] (the

4. Pursuant to the Resolicitation Order, only holders of Claims in the following Classes were entitled to revote to accept or reject the Plan and to make elections thereunder:

Class	Description
1C	Senior Loan Claims against Tribune
1D	Bridge Loan Claims against Tribune

2E, 4E, 5E, 6E, 7E, 10E, 12E, 13E, 14E, 15E, 18E, 19E, 20E, 22E, 23E, 24E, 25E, 26E, 27E, 28E, 29E, 31E, 32E, 33E, 34E, 35E, 36E, 37E, 38E, 40E, 42E, 43E, 46E, 47E, 48E, and 49E	General Unsecured Claims in the Subsidiary Revoting Classes

(collectively, the “Revoting Classes”).

5. In accordance with the Resolicitation Order, Epiq continued to tabulate the votes cast on and elections made under prior versions of the Plan by Holders of General Unsecured Claims against the Filed Subsidiary Debtors that had at least one impaired accepting Class (Classes 3E, 8E, 9E, 11E, 16E, 17E, 21E, 39E, 41E, 44E, 45E and 50E-111E)

(collectively, the “Subsidiary Non-Revoting Classes”) as votes on and elections under the Plan. Epiq also continued to recognize the prior elections made by Holders of Other Parent Claims to have their Claims treated as Convenience Claims under prior versions of the Plan, and such Holders were not treated as Holders of Other Parent Claims for the purposes of resolicitation of the Plan.

6. The procedures for the solicitation and tabulation of votes on and elections under the Plan are set forth in the Solicitation Orders. Epiq was instructed to resolicit the Holders of Claims in the Revoting Classes and to review, determine the validity of, and tabulate Supplemental Ballots voted to accept or reject the Plan and to make the elections called for under the Plan by the Holders of Claims in the Revoting Classes.

7. As specified in the Resolicitation Order, April 13, 2012 (the “Supplemental Voting Record Date”) was established as the record date for determining the Holders of Claims in the Revoting Classes who would be entitled to revote on the Plan and to make the elections called for under the Plan.

8. In accordance with the Resolicitation Order, Epiq resolicited the Holders of Claims in the Revoting Classes as of the Supplemental Voting Record Date. Epiq’s *Affidavit of Service of Solicitation Materials* was filed with this Court on May 10, 2012 [Docket No. 11594].

9. Supplemental Ballots returned by mail, hand delivery, or overnight courier were received by personnel of Epiq at the offices of Epiq in New York, New York. All Supplemental Ballots received by Epiq were date stamped upon receipt and were processed in accordance with the Solicitation Orders.

10. In order for a Supplemental Ballot to be counted as valid, the Supplemental Ballot must have been properly completed in accordance with the Solicitation Orders and executed by the relevant Holder, or such Holder's authorized representative, and must have been received by Epiq no later than 4:00 p.m. (eastern time) on May 21, 2012 (the "Supplemental Voting Deadline"), unless otherwise extended by written authorization of the proponents of the Plan, in accordance with the Solicitation Orders. Each Supplemental Ballot received by Epiq was opened and then inspected at Epiq's offices. Supplemental Ballots were then entered into a computer database reserved exclusively for recording votes on the Plan. All validly executed Supplemental Ballots cast by Holders of Claims in the Revoting Classes and received by Epiq pursuant to the Supplemental Voting Deadline were accepted and tabulated as set forth in the Solicitation Orders.

11. I hereby declare that the results of the voting by (a) Holders of Claims in the Revoting Classes and (b) Holders of Claims in the Subsidiary Non-Revoting Classes are as set forth in Exhibit A hereto, which is a true and correct copy of the final tabulation of votes cast by timely and properly executed Supplemental Ballots (in the case of the Revoting Classes) and Ballots (in the case of the Subsidiary Non-Revoting Classes) received by Epiq.

12. Detail of the votes cast and/or elections made on all Supplemental Ballots (in the case of the Revoting Classes) and Ballots (in the case of the Subsidiary Non-Revoting Classes and Holders of Convenience Claims) are as set forth in the following Exhibits hereto:

SENIOR NOTEHOLDER CLAIMS IN CLASS 1E AND PHONES NOTES CLAIMS IN CLASS 1J

Account Information

The number of votes within these classes has been tabulated on an account level basis. However, certain beneficial holder information, such as account numbers or other identifiers, has not been disclosed on this report so as to protect the confidentiality of individual holders.

To more accurately determine the number of claims that voted within each class, certain records for individual beneficial owners with multiple accounts may have a zero in the Vote Count column. This indicates the voting record has been adjusted with regard to numerosity, and that the individual holder's vote has been tabulated for purposes of numerosity on another record.

Alternative Treatment Election related to Class 1E Senior Noteholder Claims

The Alternative Treatment Election (set forth in Section 3.2.5(c)(i) of the Fourth Amended DCL Plan), was not reported on the Ballots for Holders of the debt securities holding the Senior Notes held in "Street" name through a bank or broker. Instead, this election was processed electronically by the relevant bank or broker through The Depository Trust Company's Automated Tender Offer Program ("ATOP") together with submission of a Senior Noteholder Claims Supplemental Election Form. The data for the Alternative Treatment Election is not included in this declaration.

Tabulation Amount for Class 1E Senior Noteholder Claims

The principal amount of each Class 1E Senior Noteholder Claim was adjusted to include prepetition interest.

Tabulation Amount for Class 1J PHONES Notes Claims

For the purpose of tabulation, the amount of the Class 1J PHONES Notes Claims were adjusted to correspond to the Court's allowance of the Class 1J PHONES Notes Claims in the aggregate amount of \$759,252,932 as set forth in the *Memorandum Regarding Allocation Disputes*, dated April 9, 2012 [Docket No. 11227]. By agreement of the DCL Proponents and the Indenture Trustee of the PHONES Notes, prepetition interest in the amount of \$1,444,560 was applied pro rata across all of the PHONES Notes Claims, solely for purposes of voting and tabulation.
